## Registration

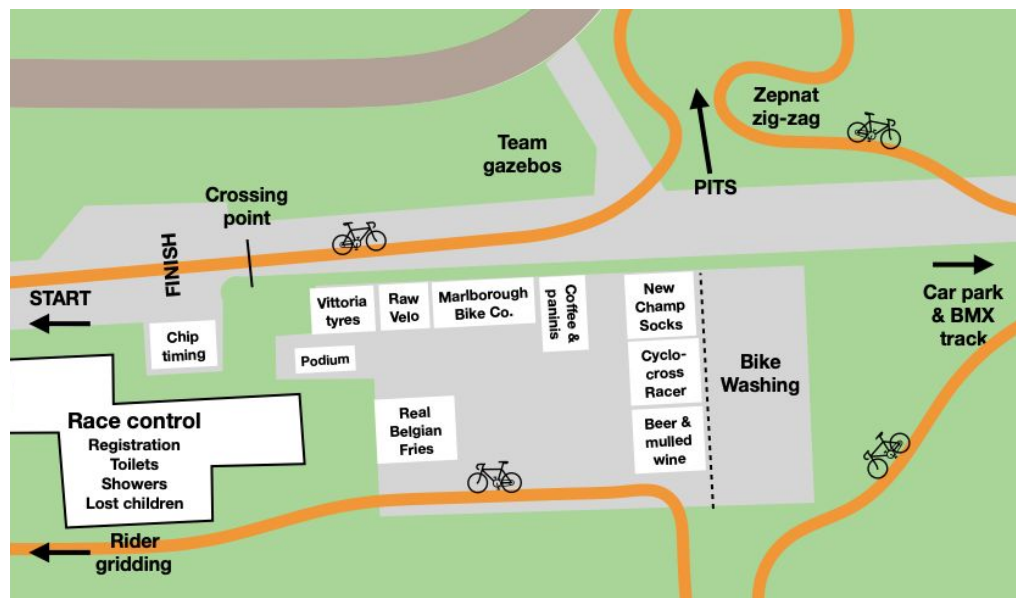

Sign-on is in the main sports centre building (see event village map below). If you are pre-registered with the league, please remember your number. All other riders will receive a new number that should be returned to the sign-on desk after the race. If you are entering on the day, please remember to bring your racing license (if you have one). A day license can be purchased at registration for £3. U10, U12 and Novice riders do not require a license.

Timing chips should be collected from the tent next to the finish line (and returned here after your race)

Toilets, showers and changing are in the main sports centre building

## Event Village

There will be a number of trade and catering stalls, including a beer and mulled wine tent, Belgian fries, waffles, coffee, paninis, etc.

## Pits

There is a double-sided, right-hand entry pit. If you are leaving a bike unattended in the pits, please leave it in the area marked at the start of the upper pit lane. Any unattended bikes in the main pit area will be moved to this location.

## Bike washing

The bike washing area is on an asphalt surface :-). There will be a hose, Mint cleaning products, buckets, brushes, etc. Please fill up your bucket/barrel and move on so as to allow others to fill up their water vessels too.

## Race Results

Live results will be available on the day and will be posted on <https://my.raceresult.com/> after the event

## Photos

There will be free photos for everyone! As well as action and atmosphere shots, we will be using an auto-triggered camera to try to make sure we get an image of everyone. Check out the Wessex League Facebook page and [www.AndoverSupercross.co.uk](http://www.AndoverSupercross.co.uk) after the event to access the photos.

## Sweeper

After the winner of each race crosses the line, a 'sweeper' will ride the course at a respectful distance behind the last rider on the course. Do not practise on the course until the sweeper has passed and do not overtake the sweeper.

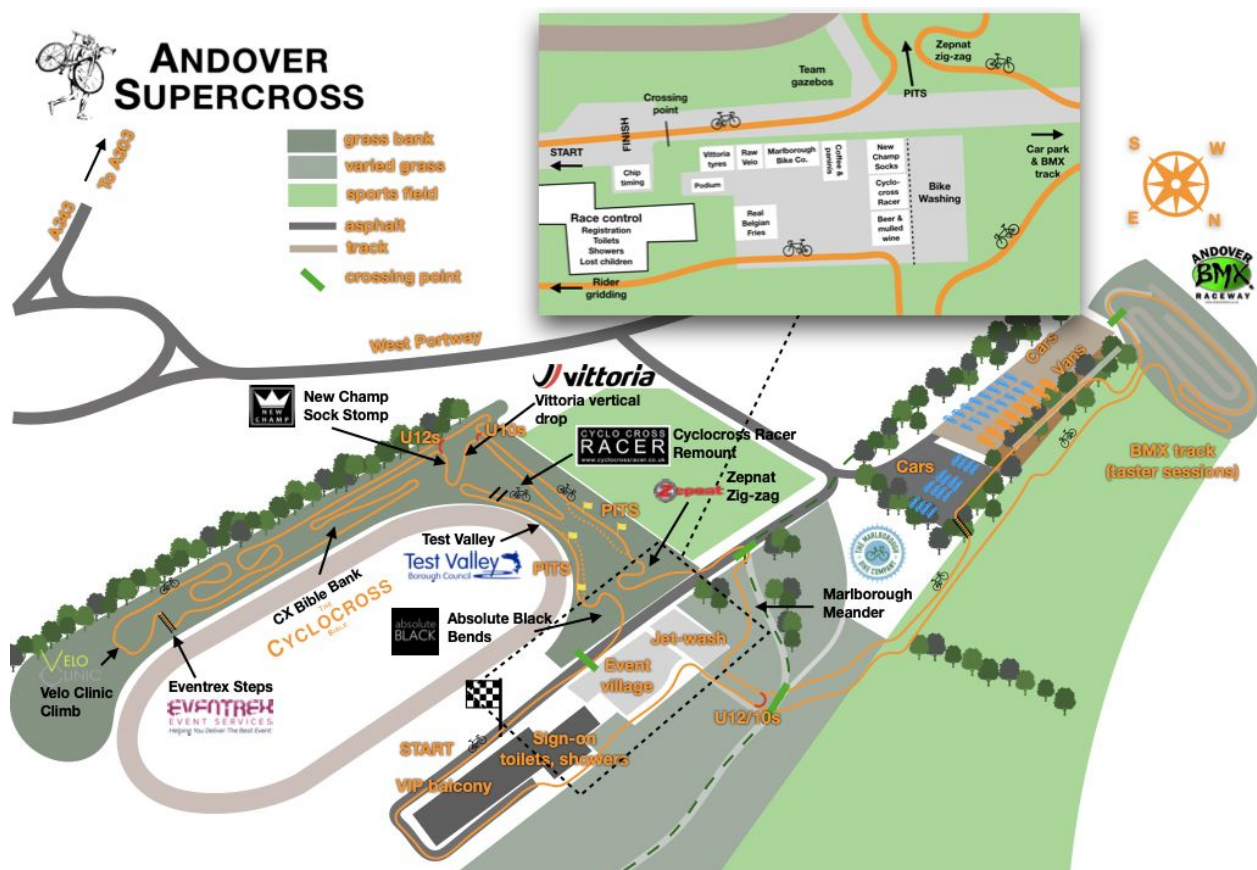

## Podiums

Even if you are not in the cash prize list, you may well have won a spot prize. Please hang around for your podium, which will be shortly after the sweeper finishes their lap.

## Course

A classic cyclocross blend of road, flat grass, steep banks, tracks, plus a bit of BMX track! The course has been designed to be appropriate for all abilities while still offering a challenge for everyone.

***Please note that the start is on an asphalt road. This means it is even more important to race sensibly and with respect for those around you. Please do not try to overtake while turning off and on to road sections. There are plenty of other opportunities to pass riders on the rest of the course.***

## Directions

Charlton Sports and Leisure Centre is not far off the A303 to the west of Andover on the edge of the Portway Industrial Estate. The above postcode SP10 3LF is not quite where the event is but it will get you to within the perimeter of our signs!

## Parking

There is ample parking on asphalt and hard-standing (see map above). The upper car park is quite small and has car-sized spaces marked. We are therefore kindly asking those with vans not to use this carpark (though do feel free to drive closer to the course to drop off your jetwash, gazebo, etc.).
